

Following is the Communications Committee report for the end of September.

Collected from advertisers for 2019	\$381.60
Printing TT Jan-Aug editions 2019*	-187.56
Website Costs 2019	-127.09
Mailbox	<u>- 19.30</u>
Net Profit	\$ 47.65

The profit of \$47.65 will be carried over to 2020 to provide us with enough to use for the good of the community. In the past, we have purchased a bench, wreaths, etc. with any profit.

With the change to going paperless, I trust there will be no changes in the manner in which we handle the TT monies - i.e. the monies collected for advertising at the first of the year are sent to Kathi to be put into our TT account. All bills for the website, etc. are submitted to Kathi to be paid from this account.

The committee has been out hustling the residents for email addresses. At the time of this report, there are still three committee members addressing the residents on their routes. So far, we have added 44 email addresses to our data bank. By October 1st all residents will have been contacted at least once (not including the announcement in the August TT) about the change and their options. Five residents are known not to have computers; all five have been advised of the new addition of a TT mailbox on the outside of the clubhouse. The October edition will have about 25 issues printed and placed in the TT mailbox.

\*No charge for May, October or December TT issues printed.

Thank you.

B.J. Underwood
